CITY OF POUGHKEEPSIE

Request for Proposal

RFP- COP-10-25-01

Emergency Construction Services for Hooker Avenue Firehouse Floor 2 Reconstruction

Prepared By:
City of Poughkeepsie Engineering
Department

NOTICE TO PROPOSERS

The City of Poughkeepsie is requesting proposals from qualified construction contractors to provide emergency construction repair services to address fire damage sustained in the Hooker Avenue Firehouse at 224 Hooker Ave. Poughkeepsie, NY. Time is of the essence for response. The selected contractor must be able to respond to the emergency construction work within Five (5) Day(s) of the notice of award. The selected contractor must adhere to all NYS and Federal prevailing wage labor laws. The City wishes to enter into a one (1) year agreement with a qualified contractor for emergency building construction services. At the end of the first one (1) year term, the City reserves the right to extend the first term by an additional one (1) year term.

The purpose of this Request for Proposal (RFP) is to solicit proposals from contractors qualified to provide the above noted construction services. The City intends to select a contractor who, in the opinion of the City Administrator, Fire Chief, Commissioner of Public Works and City Engineer, best meet the purpose and mission of this RFP. From this RFP, a list of preferred contractors will be generated. This RFP does not preclude the City from hiring any contractor on the preferred list of Contractors, at any time, during the course of this contract.

All sealed proposals shall be marked "**Contractor Proposal – Emergency Construction Services, Confidential – Do Not Open**", will be received by **2:30pm, local time, on or before October 31, 2025** at the office of the Water/Sewer Department, at the address below:

**City of Poughkeepsie
Office Manager
62 Civic Center Plaza
Poughkeepsie, New York 12601
Attention: Susan Hom, Office Manager**

The City of Poughkeepsie reserves the right to accept or reject any and all proposals and to waive irregularities and informalities at its discretion. The City reserves the right to accept a proposal other than that with the highest evaluated score without stating reasons. By submitting a proposal, the proponent waives any right to contest, in any proceedings or action, the right of the City to accept or reject any proposal in its sole and unfettered discretion. Without limiting the generality of the foregoing, the City may consider any other factor besides capability to perform the work, in its sole and unfettered discretion.

This RFP does not commit the City to award a contract or pay any costs incurred in the preparation of a proposal, or attendance at an interview meeting with City staff.

PROJECT OBJECTIVE

The objective is to provide a timely remedy to repair fire damage that was experienced at the second floor of the Hooker Ave. Fire Station. Emergency demolition and fire restoration/ cleaning services have been completed. The work includes furnishing all materials, labor, equipment and supplies necessary to construct the needed repairs. Since time is of the essence to complete this work, the selected contractor shall be responsible for assembling and directing a team of subcontractors to fast track the work. This includes electrical, plumbing, and HVAC subcontracting firms so that all required construction work can be coordinated in a timely manner.

PROJECT SCOPE AND SPECIFICATIONS

Project Scope and Specification

- The Contractor selected under this RFP will be used to perform emergency building construction services depicted on the project plans.
- The Contractor must commence the emergency repairs within 14 (days) after a Notice to Proceed is issued. The contractor must own the appropriate equipment and have on staff personnel to perform the required construction work depicted in the project scope. The Contractor must have prior knowledge and demonstrated experience with fire station construction projects including internal and external water and sewer line repairs as necessary. The work for each assignment for emergency work shall proceed uninterrupted until complete.
- The Contractor must provide for emergency construction services to perform the improvements described in the project scope including the following:
 - Furnishing & Installation of new windows, doors, and partitions detailed in the project scope documents.
 - Furnishing & Installation of electrical and plumbing and HVAC systems to facilitate renovation of Floor 2 of the fire station as described in the scope documents attached to this RFP.
 - Furnish and install insulation at exterior building envelope and ceilings and furnish & install drywall including associated taping and painting.
 - Provide material and equipment submittals including samples and mockups as applicable to the project manager and city staff as part of the submittal review process
- The Contractor will adhere to, and conform with the most recent NYSBC unless superseded by City of Poughkeepsie specific materials or specifications that will be provided to the contractor.
- It is assumed that the equipment, labor and materials shall, at minimum, include the following:
 - Basic Work Crew (minimum): 4 workers one Foreperson/laborer and 3 /tradespersons/laborers)

- Proper Equipment and construction materials to facilitate the work as required.
- Payment will be made per the unit prices listed on the Cost Proposal Form for labor and equipment on site working as required.
- The Contractor shall visit the work site and be fully informed of all existing and controlling conditions (including safety concerns) with respect to his work, the limitations of space in the work area, and the accessibility to and from the work site. The Contractor's plan of construction shall include sheeting, shoring, bracing, bridging, stabilization or other acceptable means to provide for the safeguard and protection of all existing traffic and the existing facility
- Primary equipment for the work must be contractor owned (rental equipment shall not be allowed for emergency crews, due to potential impacts to timely response). Other equipment that may be required but is not critical for timely completion of emergency repairs may be rented.
- The Contractor is responsible for locating all underground utilities (if required) by notifying *DIG SAFE NY-CALL 811* in compliance with state statute only as applicable.
- Surplus construction materials generated from the work shall be properly disposed of off-site. This work shall be included in the cost proposal.
- The Contractor shall comply with all local, state, and Federal laws and regulations including the Occupational Safety and Health Act (OSHA).
- The Contractor shall have and maintain the proper insurance and licensing required by the City and State to perform the types of work described within this RFP

GENERAL INSTRUCTIONS:

Submission:

Contractors shall submit three (3) sealed copies of their Company's Proposal in 8-1/2' x 11" format to the City of Poughkeepsie Office Manager, Susan Hom, 62 Civic Center Plaza Poughkeepsie, NY 12601.

A mandatory project walkthrough will be conducted on Thursday, October 23, 2025 between 10am to 12 pm to allow proposers to familiarize themselves with the building and the necessary work to be performed. No questions will be answered at the time. All questions must be submitted in writing. Questions will be answered within two working days. Failure to attend the mandatory project walkthrough will be construed as non-responsiveness and therefore result in disqualification of a submitted proposal.

Proposals will be received until October, 31, 2025 at 2:30 PM. Copies shall be mailed or hand delivered clearly marked *RFP -COP-10-25-01*.

Proposals may be withdrawn provided the City of Poughkeepsie receives the withdrawal notice prior to the RFP due date. All information submitted in a proposal or in response to a request for

information is subject to disclosure under Freedom of Information Law (FOIL) unless notified of Confidential Information contained.

Questions:

The deadline for written questions pertaining to all issues associated with this RFP shall be directed in writing via e-mail to the Project Manager by Wednesday, October 29th at 12:00 PM.

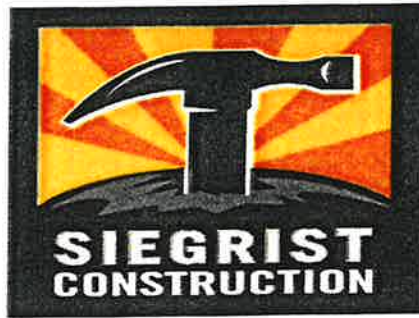

Addenda to this RFP, if any, including written answers to questions received prior to the Deadline for Submission of Questions will be provided directly to the Contractor's e-mail address on file. Each Contractor shall ascertain prior to submitting their Proposal that he/she has received all Addenda issued.

Proposed Work Plan

Rip out now is complete Siegrist will fast track the project in 30 days George Siegrist Jr., will be contact person.

Provide a written summary of your general approach to responding to this request for emergency work. Please limit this to a paragraph or two. As part of this section of the proposal, Contractor should identify the lead contact person for the project.

Relevant Experience

See attached

Provide the details of the Contractor's last five relevant projects and past performance of the Contractor and its team members on comparable work. This item should cover, at a minimum, the substantive nature of comparable projects, when they were performed, the team members assigned, equipment used and the total contracted cost. Contractors are required to give sufficient information of their experience to permit or understand and verify the exact nature of the contributions made by the Contractor to the projects listed.

Rate Proposal Form

In addition to the qualification proposal as discussed above, the Contractor shall complete the *Fee Proposal Form* provided as Attachment A.

Fee proposals are to include the following items: labor rates for all personnel proposed to work on the project including, but not limited to, foreman, laborers and equipment operators as applicable; labor pricing shall include any state and federal tax and employee salaries, benefits, and other costs. **Please note as per Article 8 of the New York State Labor Law must be paid at least minimally the appropriate prevailing wage for their trade, the prevailing wage schedule for Dutchess County may be downloaded from the NYS Department of Labor.**

Contractor overhead and profit shall be included in labor and equipment rates provided. Attachment A-1 is a schedule of rates to be provided by the contractor for additional contractor owned equipment, that may be required to complete the emergency repair.

The contractor will be contractually obligated to use the rates included in their proposal to generate the invoices for each individual task solicited.

Invoices will be structured with hourly estimates of equipment usage and labor and list of materials and associated pricing. Back- up documentation for costs shall be provided with all invoices.

The rates shall be effective for one year from the contract execution date, renewable up to 1 year at the City's election.

If there are any other fees that the Contractor anticipates that would be included in work tasks created under this Contract, they should be included in the fee schedule submitted with their proposal.

PROPOSAL SELECTION CRITERIA

Only those proposals received by the stated deadline will be considered. All proposals, submitted by the deadline, will be reviewed based upon information provided in the submitted proposal.

Proposals received by the stipulated deadline must be in the correct format.

- Contractor's alleged performance effectiveness of their proposal's solution regarding the Project.
- Project Schedule (tentative construction start and stop dates)
- Contractor's performance history and alleged ability to timely deliver proposed services.
- Contractor's ability to provide and deliver qualified personnel who have the knowledge and skills required to effectively and efficiently execute proposed services.
- Overall cost effectiveness of the proposal.

The City of Poughkeepsie is an equal opportunity employer and prospective contractors are to take note of the following:

This contractor and subcontractor shall abide by the requirements of 41 CFR 60-1.4(a), 60-300.5(a) and 60-741.5(a). These regulations prohibit discrimination against qualified individuals based on their status as protected veterans or individuals with disabilities, and prohibit discrimination against all individuals based on their race, color, religion, sex, sexual orientation, gender identity, national origin, or for inquiring about, discussing, or disclosing compensation. Moreover, these regulations require that covered prime contractors and subcontractors take affirmative action to employ and advance in employment individuals without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability or veteran status

City of Poughkeepsie shall reserve the right to cancel, suspend, and/or discontinue any contract at any time they deem necessary or fit without obligation or notice to the proposing Contractor/contractor.

The City of Poughkeepsie reserves the right to reject any or all bids and waive any informalities or irregularities in the bid procedure or bids.

The City may hold the RFPs for a period not to exceed thirty (30) days from the date of the proposal opening to review the information and investigate the bidders' qualifications prior to awarding the contract.

Proposal Requirements

Proposers are encouraged to include cost efficiency and creativeness when crafting their proposals. It is requested that proposals not exceed 5 pages in length (exclusive of required forms/appendices).

Proposals are to include, at a minimum, the following items:

- Situational understanding including firehouse operations
- Understanding of applicable building codes, regulations and standards.
- Project approach, scope, and proposed project organization.
- Demonstrated experience on similar projects-(First responder Facilities).
- Experience & qualifications of subconsultants/contractors.
- Specific experience of key staff professionals
- Firm's Team-capacity to handle project workload
- Proposed schedule.

The cost proposal form should be submitted in a sealed envelope at the time of submission of the RFP. This information may be used in the firm proposal review and evaluation process. It may also be utilized in fee negotiations with the most qualified firm.

II. Evaluation of Proposals

The City of Poughkeepsie anticipates reviewing the proposals immediately after the due date set forth in this RFP. Proposers are advised to present their best proposal at time of submission. City staff may enter negotiations with multiple proposers as deemed appropriate or necessary in their discretion and will request that the city award this project at a Board of Contract and Supply regular or special meeting.

Requests for information to the RFP must be set forth explicitly and listed as a separate document prior to the deadline for questions established in the RFP advertisement.

Proposals will be examined and evaluated to determine whether the proposals meet the requirements of this RFP. The contract will be awarded to the most qualified firm based on the following criteria:

1. Situational understanding and ability to expedite the work (30 points).
2. Demonstrated experience, capabilities, and qualifications (30 points).
3. Proposed Project Team & Schedule (30 points)
4. Completeness of the proposal including costs (10 points)

Proposing firms may be invited to conduct presentations to the City of Poughkeepsie staff and will be expected to provide prompt responses to questions and inquiries submitted through designated city contact.

III. Time of Response

Respondents will have approximately two (2) weeks to provide a response to this RFQ. The city will then review the qualifications for selection.

CERTIFICATION OF COMPLIANCE WITH THE IRAN DIVESTMENT ACT

As a result of the Iran Divestment Act of 2012 (the "Act"), Chapter 1 of the 2012 Laws of New York, a new provision has been added to State Finance Law (SFL) § 165-a and New York General Municipal Law § 103-g, both effective April 12, 2012. Under the Act, the Commissioner of the Office of General Services (OGS) will be developing a list of "persons" who are engaged in "investment activities in Iran" (both are defined terms in the law) (the "Prohibited Entities List"). Pursuant to SFL § 165-a(3)(b), the initial list is expected to be issued no later than 120 days after the Act's effective date at which time it will be posted on the OGS website.

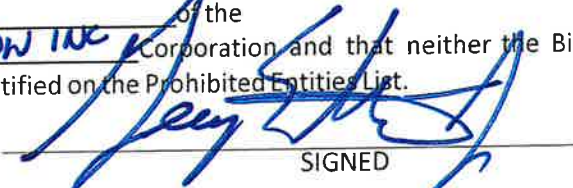

By submitting a bid in response to this solicitation or by assuming the responsibility of a Contract awarded hereunder, each Bidder/Contractor, any person signing on behalf of any Bidder/Contractor and any assignee or subcontractor and, in the case of a joint bid, each party thereto, certifies, under penalty of perjury, that once the Prohibited Entities List is posted on the OGS website, that to the best of its knowledge and belief, that each Bidder/Contractor and any subcontractor or assignee is not identified on the Prohibited Entities List created pursuant to SFL § 165-a(3)(b).

Additionally, Bidder/Contractor is advised that once the Prohibited Entities List is posted on the OGS Website, any Bidder/Contractor seeking to renew or extend a Contract or assume the responsibility of a Contract awarded in response to this solicitation must certify at the time the Contract is renewed, extended or assigned that it is not included on the Prohibited Entities List.

During the term of the Contract, should the City receive information that a Bidder/Contractor is in violation of the above-referenced certification, the County will offer the person or entity an opportunity to respond. If the person or entity fails to demonstrate that he/she/it has ceased engagement in the investment which is in violation of the Act within 90 days after the determination of such violation, then the County shall take such action as may be appropriate including, but not limited to, imposing sanctions, seeking compliance, recovering damages or declaring the Bidder/Contractor in default.

The County reserves the right to reject any bid or request for assignment for a Bidder/Contractor that appears on the Prohibited Entities List prior to the award of a contract and to pursue a responsibility review with respect to any Bidder/Contractor that is awarded a contract and subsequently appears on the Prohibited Entities List.

I, GEORGE SEIBERT JR
PRESIDENT
SEIBERTSONS CONSTRUCTION INC, being duly sworn, deposes and says that he/she is the _____ of the _____ Corporation and that neither the Bidder/Contractor nor any proposed subcontractor is identified on the Prohibited Entities List.

Bid submitted by: SIEGRIST+SONS CONSTRUCTION INC
6 ORCHARD PLACE
POUGHKEEPSIE N.Y. 12601

The undersigned hereby designates as his office to which such notice of acceptance may be mailed, telegraphed, or delivered:

GEORGE SIEGRIST JR

The vendor hereby agrees to the provisions of Section 103-a of the General Municipal Law which requires that upon the refusal of a person, when called before a Grand Jury to testify concerning any transaction, or contract had with the State, any political subdivision thereof, a public authority, to sign a waiver of immunity against subsequent criminal prosecution or to answer any relevant question concerning such transaction or contract,

- (a) "such person, and any firm partnership or corporation of which he is a member, partner, director or officer shall be disqualified from thereafter selling to or submitting bids to or receiving awards from or entering into any contracts with any municipal corporation or any public department, agency or official thereof, for goods, work or services, for a period of five years after such refusal, and
- (b) any and all contracts made with any municipal corporation or any public department, agency or official thereof, since the effective date of this law, by such person, and by any firm, partnership or corporation of which he is a member, partner, director or officer may be cancelled or terminated by the municipal corporation without incurring any penalty or damages on account of such cancellation or termination, but any moneys owing by the municipal corporation for goods delivered or work done prior to the cancellation or termination shall be paid."

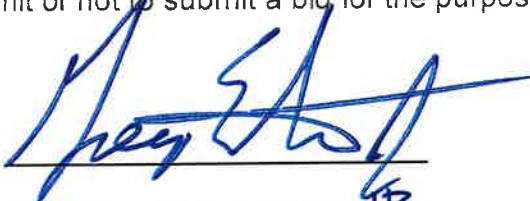

The vendor does hereby certify that he or it is under no such impediment or disqualification from bidding created under Section 103-b of the General Municipal Law of the State of New York.

CS-1

NON-COLLUSION AFFIDAVIT:

As required by Section 139-d of the New York State Finance Law, the bidder certifies that:

- (a) the bid has been arrived at by the bidder independently and has been submitted without collusion with any other vendor of materials, supplies, or equipment of the type described in the invitation for bids, and
- (b) the contents of the bid have not been communicated by the bidder, nor, to its best knowledge and belief, by any of its employees or agents, to any person not an employee or agent of the bidder or its surety on any bond furnished herewith prior to the official opening of the bid. The signature of the Contractor to this contract shall be deemed a specific subscription to the certificate required pursuant to Section 139-d of the State Finance Law and the Contractor affirms that the statements therein contained are true under the penalties of perjury."
- (c) No attempt has been made or will be made by the bidder to induce any other person, partnership or corporation to submit or not to submit a bid for the purpose of restricting competition.
