XI. ACTION AGENDA: ORDINANCES AND LOCAL LAWS:

XII. MAYOR'S COMMENTS:

Thank you, Chair.

I want to extend my gratitude to our DPW staff and police department for their tireless efforts during the storm, working around the clock despite the challenging conditions. Their dedication has not gone unnoticed, and I appreciate all they've done throughout the weekend. I also want to remind everyone that our meetings are televised on two local channels and webcast, allowing community members to stay informed and engaged. Thanks to Councilwoman Brown for her ongoing support and enthusiasm; this is our city, and I truly value the work of all Councilmembers in our community. While there have been past divisions among Councilmembers, I'm pleased to see unity now, especially as all but one are entering their second term. Thank you all for your contributions both here and in the community.

I want to apologize for the disruptive comments that have persisted since my election, even before I was sworn in as Mayor. This ongoing negativity has overshadowed our meetings, and while the Council has endured it for some time, I believe it's reached a breaking point. Other municipalities do not tolerate such behavior, and I appreciate the Chair for taking a stand. Despite having faced intimidation and threats, I've tried to remain resilient. The situation has escalated, and it is essential to address it; enough is enough.

Regarding my social media, I want to clarify that I do not delete comments, as I believe it's important for others to see the disrespect being directed at me. I value the overwhelming encouragement and support from individuals within our community and remain focused on serving the city of Poughkeepsie. It's disheartening when meetings are overshadowed by negativity, especially when young individuals are present and need to witness positive leadership. Despite the challenges, I encourage everyone to pursue leadership roles in our community and to recognize the significant rewards that come with serving in these positions. I am proud of the work we are doing together and aim to keep fostering an environment that inspires future leaders.

XIII. CHAIRMAN'S COMMENTS AND PRESENTATIONS:

Good evening, thank you everyone for coming out too.

I want to thank all the people that came to speak. Of course, thanks to all the presenters and your opinions and bringing the information even if it's in support of certain things and not support of other things, but it's great to always have awareness.

Thank you to Chief Wilson, of course. Thank you, to Mama La's for sponsoring the Martin Luther King Jr. event.

As we enter the New Year, the Council is prioritizing several important initiatives, particularly focusing on increasing senior tax exemptions to better support our senior community. These individuals have significantly contributed to building our community, and it is essential to ensure they can afford to stay in their homes after decades of hard work. We recognize that many seniors face challenges with rising property taxes, and the goal is to help them maintain ownership of their properties effortlessly.

Additionally, the Council is committed to youth development, as highlighted by the Mayor's youth leadership program. Our community has become a nationally certified My Brother's Keeper (MBK) community, emphasizing our focus on creating a cradle-to-career pipeline. This collaborative effort aims to provide support and resources to our young people, ensuring they have the tools they need to succeed as they transition into adulthood. By addressing both senior support and youth development, we aim to enhance the quality of life for all residents in our community.

XIV. ADJOURNMENT:

At **8:40 pm** a motion to adjourn the meeting was made by 7th Ward Council Member Patterson Thompson and seconded by 3rd Ward Council Member Brown.

Official Minutes of the Common Council Meeting of January 20, 2026

WAIT!

BEFORE YOU RENOVATE

BEFORE You Start Exterior Work
in a City of Poughkeepsie Historic District,
Approval may be Necessary

This brochure contains important information about the City of Poughkeepsie Historic Districts and Landmarks Commission and their review process.

WELCOME

Preserving the unique architectural character of Poughkeepsie is important to the economic prosperity of the city because it attracts visitors, residents, and businesses. Since 1969, the City of Poughkeepsie has had a local historic preservation ordinance to protect buildings and neighborhoods of special historic and architectural character from destruction, inappropriate rehabilitation, and incompatible new construction.

WHAT ARE YOUR RESPONSIBILITIES AS THE OWNER OF AN HISTORIC PROPERTY?

A property owner, lessee, or purchaser under contract seeking to make any exterior changes to a property on the Local Historic Register is required to receive approval by the City of Poughkeepsie Historic Districts and Landmarks Commission (HDLPC) **PRIOR** to start construction. To confirm if your property is Historic, please visit the list of Local Landmarks at:

<https://www.cityofpoughkeepsie.com/DocumentCenter/View/4108/Historic-Resource-Inventory-by-street-2025-SimpleUpdate>

WHAT IS THE HISTORIC DISTRICTS AND LANDMARKS COMMISSION?

The HDLPC is comprised of seven volunteer members, appointed by the Mayor, with demonstrated interest in historic preservation. The HDLPC reviews exterior changes, new construction and demolition of local registry properties to preserve historic integrity of designated properties. The HDLPC bases its reviews on mandatory standards outlined in the local code available at

<https://www.cityofpoughkeepsie.com/320/Historic-District-Landmark-Preservation->

WHAT IS THE HDLPC REVIEW PROCESS?

The process begins with the submission of an application that includes photographs of existing conditions, construction plans/drawings, and material details. Applications must be submitted at least two weeks in advance of review. Once the application is deemed complete, the application is placed on the next available agenda of the HDLPC. The HDLPC meets on the second Thursday of each month at City Hall in City Council Chambers.

WHAT CHANGES TO THE EXTERIOR **DO NOT REQUIRE** HISTORIC REVIEW?

- Ordinary maintenance or repair of any exterior feature that *does not* involve a change in design, material, or exterior appearance.
- Work not involving change to the exterior or public accessed interior space

WHAT CHANGES TO THE EXTERIOR OF MY PROPERTY **DO REQUIRE** HISTORIC REVIEW?

- Construction, rehabilitation, alteration or exterior change to a structure that requires *the issuance of a building or demolition permit*.
- Installation or modification of an awning, sign, or sign structure that requires a building or sign permit.
- **ANY** changes to the exterior appearance of a structure. Such changes affect

the historic character-defining features and context of the Historic District. Those changes include:

- Addition or removal of exterior architectural features.
- Installation, removal or change of materials on exterior building elements including but not limited to roof, siding, windows, doors, porches, and the like.
- Enclosure or screening of building openings.
- Installation, removal or change in material of driveways or walkways.
- Installation or removal of architectural or vegetative screening.

GOOD PRESERVATION PRACTICES ARE ENCOURAGED

- Preserve rather than remove architectural features.
- Repair rather than replace. If replacement is necessary, replacement materials should match the original in visual qualities.
- Replacement of original natural materials with synthetic materials is discouraged.
- Replacement windows should match original windows in terms of design, materials, the number of divided lights, size of the opening and placement in the plane of the building. Where original examples are not available, replacements should reflect a design appropriate to the style and period of the structure.
- Additions should be compatible with the existing structure and the surrounding Historic District, distinguishable as an addition, and not overshadow the existing historic structure.

ADDITIONAL SUGGESTIONS

- Review the HDLPC Ordinance and guidelines when planning your project.
- Submit a complete application. Your review will go more smoothly.
- Do **NOT** order or buy materials for your project or begin construction without HDLPC approval, as approval is not guaranteed.
- There are specific requirements for demolition in Historic Districts.
